ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received by the Board of Patent Appeals and Interferences on February 3, 2009. A review of the application revealed that it is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the Examiner to address the following matters requiring attention prior to docketing.

**EXAMINER'S CONSIDERATION OF REPLY BRIEF**

A Reply Brief was filed in this application on December 10, 2008. There is no evidence on the record indicating that the Examiner has considered the Reply Brief in accordance with 37 CFR § 41.43(a)(1) and § 1208, part II, of the *Manual of Patent Examining Procedure* (MPEP) (Eighth Edition, Rev. 6, September 2007).

**INFORMATION DISCLOSURE STATEMENT**

Appellant filed an Information Disclosure Statement (IDS) dated December 6, 2004. While it is apparent that the examiner considered the foreign Patent Document and one of the “Other Documents,” there is no indication on the record that the Examiner has considered the document entitled “National Bike Registry Teams Up With Kryptonite to Reduce Bike Theft.” Correction is required.

**CONCLUSION**

Accordingly, it is **ORDERED** that the application is returned to the Examiner:

- 1) to consider the Reply Brief filed December 10, 2008 as indicated above;
- 2) to consider the article entitled “National Bike Registry Teams Up With Kryptonite to Reduce Bike Theft” appearing on the IDS filed December 6, 2004; and
- 3) for such further action as may be appropriate.

If there are any questions pertaining to this Order, please contact the Board of Patent Appeals and Interferences at 571-272-9797.
